

Children's Portraits

Portrait Sessions

Studio Sessions, \$39

Outdoor or Your Home Location, \$75

Studio sessions includes a variety of poses with backgrounds and props selected for the age of the child. We encourage you to bring your child's favorite toys and special furniture.

Viewing The Originals

Our portrait originals are presented on our studio computer ordering system immediately after the portraits have been taken.

It is very important that anyone who should be included in choosing the portraits be present at this time.

There are no paper proofs or second viewings.

Finished orders will be delivered to you when they are completed.

Retouching

Portrait prices including retouching of normal facial blemishes. Special artwork, when requested, will require additional charges. If you have questions about retouching, please feel free to ask.
