

# Senior Portrait Sessions

## Deluxe Studio & Outdoor Combination - \$130

### This Session Has It All

You'll begin with traditional head & shoulders portraits with time tested conservative poses and backgrounds, plus close-up, three-quarter, and full length poses with your choice of many backgrounds and props. Bring your sports equipment, musical instruments, best friend, or most anything else you can think of. The outdoor session is done at a park that offers lots of great settings for close-up, full-lengths and scenics, with trees, flowers, rocks, and water for backgrounds. Pets, cars and other outdoor props may be included. You'll love the fresh, natural look of our outdoor style.

## Deluxe Studio Session - \$64

This session includes as many clothing changes as you can perform in an hour, with unlimited choices of backgrounds and props. Bring anything you want to be photographed with.

## The Great Outdoors - \$79

For those who choose to have only outdoor portraits, this session includes an hour in a park location, with a change of clothes and unlimited poses.

## Basic Studio Session - \$49

This session includes classic head & shoulders portraits with one clothing change and choice of two studio backgrounds. Does not include full length poses or use of props.

## Special Request Locations - \$150

For those who prefer to personalize their portraits by having them created at their home, either indoors or out or a combination of both, or at the stable with their horse, this session includes up to 2 hours at your location within the Grand Rapids area.

## Why Choose Richard Johnson Photography?

**You'll look your very best.** We want to do everything we can to make you look better than you ever imagined. Richard's artistic training and experience, combined with the latest in camera room technology, guarantee that you'll not only look great, but you'll be at ease, comfortable, and have a fun-filled session.

**Lots of background choices.** We have several studio background choices and unlimited outdoor settings to choose from. You'll have plenty of variety in your session because there are the right backgrounds and settings for everyone.

**Bring Your Favorite Things.** Do you play sports? Do you have a best friend or brother or sister you want to share part of your session with, or a pet you want in some of your outdoor pictures? Are you musically talented? Bring something to show what's important to you.

**Digital Technology.** Our art department uses the latest technology in computerized digital retouching, so your portraits receive the best and most natural looking retouching possible.

**Special Effects.** Montage portraits, black & white or sepia, touch of color black & white portraits...If you can think of it, we can do it. Bring us your unique ideas.

**Our Portraits Are Very Competitively Priced,** and the quality is outstanding. You actually get more value for your money at Richard Johnson Photography. Not only are our prices the best, but we put more in our packages and the quality is unmatched.

**Ready For Framing.** All of our finished prints are fully retouched and mounted on heavy mat board, so they are ready to put in a frame.
